

Des Plaines Valley Public Library District

The Des Plaines Valley Public Library District's **Pet Commemorative Book Program** offers an opportunity to remember a pet through a meaningful and enduring gift to Children's Services. Specially designed commemorative bookplates will be placed in books acquired through the program.

Donations will be used to purchase books for the Des Plaines Valley Public Library District's Children's collection at the Lockport or Crest Hill branch. Each contributor will receive a letter of acknowledgment. Books will be guaranteed a place in the collection for five years or the life of the book, which ever is longer.

To contribute to the **Pet Commemorative Book Program**, please complete this form, enclose a check, and mail or bring to the Children's Services Department at the Lockport Library branch.

A gift to the **Pet Commemorative Book Program** will be a lasting tribute to the value and enjoyment of reading and to the pet you select to be honored or remembered.
