Our mission:

The **Friends** is a non-profit advocacy group dedicated to promoting, improving and assisting the library district in expanding services to our communities.

Our goals:

Provide programs and materials that the library could not afford on its regular budget
Elevate the library district to become our most valued educational and cultural institution

Become a Friend at any level of involvement and receive these benefits:

Invitation to all meetings including our annual meeting and public programs
Admission to all book sale previews

Please join today to help support our library district!

Membership Application
